

OUR STORY

Moonshine was established in December 2024, but the history of our building goes back much further. From the mid 1800s, this site was home to Roberts & Roberts, Leicester's largest grocery wholesaler. For more than a century, it was a bustling family business, supplying the city with food and provisions until the 1970's. The spirit of hard work, community and family that defined these walls has never left.

As a family business ourselves, with over 50 years experience in entertainment and hospitality and our own legacy deep rooted in Leicester Market, we felt an instant connection to the history of the building. Opening Moonshine here is more than just running a bar, it's about honouring the past while creating something new and exciting for today.

A place where the music can be shared, laughter fills the room, and everyone feels part of the family!
